## SWAP France

**Colin Taillefer was attracted to our program because he wanted to experience overseas as a local**

"Take advantage of the resources that SWAP provides and the advice of the people there to help you and once you're over there. Try to integrate yourself fully into the way of life and the culture. At first, everything will be strange and new but soon enough, you'll be comfortable and feel just like a local. When people stop you to ask for directions for something, you'll know it's happened."

## SWAP Germany

**Ron Ashraf used his SWAP experience to learn another language and further his career**

"I came to Berlin on the SWAP program. I fell in love with the city, the language, and the lifestyle. I took German lessons for the first few months, travelled around, and found many new friends. I have learned German and found a job in a software firm as a Business Analyst. Certainly, coming to Berlin changed my life and I'm so thankful to SWAP for the encouragement and support."

## SWAP Austria

**Stephanie Clark used the swap exchange to meet other swappers**

"I chose SWAP for the assistance during the visa application process and to have a source of support while in Austria in case I needed it. (It made my parents feel better about me being there alone.) I used the SWAP Exchange to get in touch with other SWAPPERS. I met 2 great people and did a lot of traveling with them in Austria. It made my experience very memorable."
